

MAIRE: SMALL FIRE CLOSE TO ITS MILAN HEADQUARTERS WITH NO IMPACT ON PEOPLE OR OPERATIONS

Milan, 30 July 2026 – MAIRE informs that a small fire, originating from the vicinity of the Milano Garibaldi railway station, affected a limited external area near the Company's headquarters in Milan.

The situation was promptly managed in accordance with the Company's safety procedures and emergency response protocols. The area involved was immediately secured and all relevant precautionary measures were implemented.

No injuries to employees or visitors have been reported.

The situation is fully under control and there has been no impact on the Group's operations.

MAIRE confirms its commitment to the highest standards of health, safety and environmental protection and thanks the emergency services for their prompt intervention.

MAIRE S.p.A. is a leading engineering group providing technology solutions and project execution in the downstream segment of energy services, as well as in the chemicals and fertilizers industries. The Group operates through two business units: Integrated E&C Solutions and Sustainable Technology Solutions, the latter active in sustainable fertilizers, low carbon energy vectors, and innovative materials and circular solutions. With operations in around 50 countries, MAIRE employs approximately 11,200 people. MAIRE is listed on the Milan Stock Exchange (ticker "MAIRE"). For further information: www.groupmaire.com
