

## **MAIRE ANNOUNCES NEW AWARDS FOR AN OVERALL VALUE OF APPROXIMATELY USD 1.1 BILLION**

*Milan, 5 May 2025* – **MAIRE (MAIRE.MI)** announces that its subsidiaries TECNIMONT and KT-Kinetics Technology have been granted new awards for a total amount of approximately **USD 1.1 billion** for engineering, procurement and construction activities related to gas treatment infrastructures, as well as high-value added engineering services provided by NEXTCHEM's group companies for the development of biofuel facilities.

These projects have been awarded by prominent international clients in Central Asia and Europe, thanks to MAIRE's unparalleled engineering capabilities in managing large complex projects, further strengthening the Group's industrial footprint in regions with a pivotal role in global energy security.

Further details will be provided upon completion of certain formalities currently being finalized between the parties involved.

**MAIRE S.p.A.** is a leading technology and engineering group focused on advancing the Energy Transition. We provide Integrated E&C Solutions for the downstream market and Sustainable Technology Solutions, the latter through three business lines: Sustainable Fertilizers, Low-Carbon Energy Vectors, and Circular Solutions. With operations across 45 countries, MAIRE employs about 10,000 people, supported by around 50,000 professionals involved in its project worldwide. MAIRE is listed on the Milan Stock Exchange (ticker "MAIRE"). For further information: [www.groupmaire.com](http://www.groupmaire.com).
